“ *I miss you now and every single day as if you left us just yesterday. I cannot believe i've made it through seven years without you. I know you'd be proud of me and what i'm becoming, even when sometimes i'm not proud of myself. Blue jays fly down to approach me often and i can't help but think it's you, sending me little reminders. I love you, I miss you, and everyday I wish you were here with me. Until we meet again.*
