“ Rachel came home yesterday with the sad news. We're so sorry that we didn't know she was sick! We lost touch as the girls grew older but we were always so fond of your family. I always looked forward to running into her and seeing her beautiful smile and hearing her infectious laugh! Julie was so talented and I was so jealous of all the gorgeous things she could make! Rachel would come home from your house raving about her current projects and bragging about the gourmet meal that Mrs.Green just had made for her! We will all miss her!! It wouldn't surprise me if she was in Heaven knitting her own wings!! Please let us know if there is anything we can do! Emily and Elise, even if you just need a hug! I just had surgery on Tuesday so I can't make it to the viewing but please know we are there in spirit. Love and prayers, Miss Kris, Jerry, Rachel & Eric Meiring

“ I am sending my sincere condolences to Roger, Emily, Elise and all of Julie's loving family. I could always count on seeing her welcoming smile and enjoyed catching up with her life at Green family gatherings through the years here in Michigan. As you honor her beautiful life, may memories of such a special wife and mother comfort you at this time of sadness. Jenny Mihalich
