“ *These lines come from Ettlingen/Germany. My wife Ingrid, Mrs. Baumann's distant cousin, and I always had a great time in their home in Connecticut whenever we came to see Ingrid's American relatives in the US. Jules Baumann was an open-minded and generous host who also took us around the country, and thanks to his personal commitment we became familiar with many beautiful and interesting places in and beyond their home state. Thank you, Jules; we will never forget you. R.i.p.*
