

June Rose Nebllette

April 18, 1930 - June 19, 2021

June went to be with her Lord and the many loved ones who have preceded her in death on June 19, 2021 at the age of 91. June was born in Alpena, MI on April 18, 1930 to the late Edward and Ada Precour. After graduating from Alpena High School in 1948, June moved to Columbus, OH where she made a new life working at Nationwide Insurance and eventually meeting and marrying the love of her life, Richard A. Nebllette. June and Richard were married for 62 years before he passed away in 2012.

June treasured the many years she spent with her family and friends who provided a multitude of great memories and carried her through any hard times that came her way. June is survived by her daughters Debi (Mark) Garrett and Donna (Jim) Gavelda, two grandchildren Dustin (Kristen) McComas and Gabi (Brian) Rideout, three great grandchildren, Lydia, Jake and Chezney, her siblings Geri (Bodo), Barb, Steve (Madelyn), and many nieces and nephews.

Her family would like to send a special thanks to all of the nurses, aids and staff at The Forum who helped June live as independently as possible and provided the best care anyone could get when she needed it. They became a second family to both her and her family and their kindness was never ending. It was truly appreciated and will never be forgotten. A private service for immediate family will be held at Kingswood Memorial Park with pastor Dale

Linder officiating, with a Celebration of June's Life for friends following the service. In lieu of flowers, please send a donation to K.E.A.F. (Knightsbridge Employee Appreciation Fund) at 4590 Knightsbridge Blvd Columbus, OH 43214), The Arthritis Foundation or The American Heart Association in her memory.

“ I cleaned for Dick and June for years. They were 2 of my favorite customers. I always enjoyed talking to June as I cleaned her kitchen. She truly had a heart of gold. When ppl say a smile lights up a room...that was June's smile!!!!

I met June at a physicians office years ago. She was a patient and I was one of three nurses there. Both the doctor and I loved June so much.. All who knew her felt this way. But each time she came to her appointment I told to other nurses I would take June. She was my gift each day she was there. Then one day I met her at Ascension Lutheran Church and I was so very happy to see her again. I was able to have Howie, my husband meet her and she became his dear sweet friend. We will miss her so much but we know she is in the perfect home with our Lord. There is not any more pain for our dearest friend. Thank you God for sharing your June.
