“ *God looked around his garden- And found an empty place,
He then looked down upon the earth- And saw your tired face.
He put his arms around you -And lifted you to rest.
God's garden must be beautiful -He always takes the best.
He knew that you were suffering -He knew you were in pain.
He knew that you would never – Get well on earth again.
He saw the road was getting rough – And the hills were hard to climb.
So he closed your weary eyelids – And whispered, 'Peace be thine'.
It broke our hearts to lose you – But you didn't go alone,
For part of us went with you – The day God called you home.

Rest in Peace June, God has a special place in Heaven for you. You are not gone forever. One thing I ask you to do, walk slowly down that road for soon I will follow you. God, one thing I will ask you to do, take care of my first cousin until we are together in Heaven.

“ RIP June.

I know you are in a good place & not suffering any longer.

Connie & Carol, you are the best daughters a mother could ever ask for. Your mother was so proud of the both of you and loved each of you deeply.

It will take time to ease the pain of missing your mother but you will always have those moments / memories to cherish.

Deepest Sympathy.

Love & sending prayers to both of you
