“ I was blessed to work with Karen for a couple of years at the WEC. our daily chats about, well anything and everything, always brought a ray of sunshine into my day. Karen was a person who took a genuine interest in me, and was always looking out for my well being - in a motherly sort of way. At some point she dubbed herself my "work-mom"; a title I could not deny her, because she filled the role so well. I think my own mother would approve.

I miss you already Karen. A few years of my life were better for sharing a portion of them with you. You made our world a brighter place. May the Lord grant you peace and rest.

My condolences to the Kuhn family. May God grant you comfort in your time of mourning.

“ Karen was a wonderful addition to the Worthington Schools family. As a former WESP president I got to see her every Wednesday. Karen was always pleasant and we enjoyed knowing that Wednesdays were better because we saw each other. Deepest condolences to the Kuhn family.

“ *Keith and family, words can't express the sadness I feel learning of Mrs. Kuhn's passing. I remember in high school she used to always say "be careful" and I would say "I wasn't going to, but since you said to, I will." She was a special lady who I enjoyed visiting with when were supposed to doing homework. Thinking of your entire family during this very sad time.*

“ *Karen will be very much missed. She was so observant and thoughtful. I never walked out of the WEC without her asking me if I had my keys and my phone - which I had often forgotten. I will forever remember her sly smile and her all knowing chuckle. Thanks for taking such good care of us Karen.*

“ I am so sorry for your loss. Karen and I met when she subbed at the WEC in our Gifted department sorting through box after box of old Legos. She got to be known as the Lego queen. I was so happy when she got the job as the afternoon receptionist at the WEC. She was always happy and helpful. We had many good talks about our retirement goals, work and family. I had two children graduate from WKHS also, Kevin in 1994 and Katy in 1998. God be with you all during this difficult time.

Karen was a wonderful person. I so enjoyed getting to work with her in the Welcome Center. She always had her greAt smile as we left for the day and never failed to enquirer how I was doing. Her loss is great to the district but so much greater to you, her family. She was loved by many and will be missed.
