“ *I'm so sorry to hear this news. Karla and I worked together when she was with AT&T. She was one of the first people to welcome me to the accounts we shared and always took time during a call to share photos of her adventures. (The camel one was my favorite!) I know she looked forward to spending more time traveling with her husband. She was so excited to retire and start new journeys! My very deepest sympathy to the family. She was and is truly missed.*

“ *Kevin and all family, I was very saddened to hear the news about Karla. We worked together for several years. She was always so friendly and willing to help any way she could. I learned a lot from her. I hope that you find some comfort in knowing what a special person she was. There have been many occasions since she retired I wanted to call her but got distracted. I wish I would have. We will see each other and share many laughs again one day. May peace and comfort be with you. God Bless, David Berkhead*

“ To Kevin and all of the family: Karla’s aunt, Deborah Williams, requested that our church pray for Karla last summer. We have continued to pray. We are broken-hearted for all of you that her healing was not as we desired, but we know that she is completely healed now and safe in the arms of Jesus. We will be praying for all of the family as you walk through this valley. May you find comfort in God’s love and wisdom.

“ My deepest condolences. I was Karla's boss for a while at AT&T, but in a lot of ways I felt like she was my boss. Karla was kind, caring, thoughtful, patient, knowledgeable and always willing to go the extra mile for you...she will always have a special place in my heart. I will miss her greatly, but I know she is in a much better place now. And I take some comfort in knowing that we will all see each other again someday.
