“ To Kathy's family, I worked with Kathy at Mt. Carmel and we had many talks about life and family. Kathy was so soft spoken, kind and truly a wonderful woman. I can't begin to imagine the pain of losing someone like Kathy in this way. Your family will be very close to all of us at Mt. Carmel and those who knew her. Kathy loved being a nurse and teaching students who decided to choose this profession. She leaves many wonderful memories of a very beautiful woman with a beautiful smile. I will never forget my friend and will keep her family in my thoughts and prayers. I pray that you hold tight to your loved ones and say "I Love You" just one more time. I am so very sorry.

“ To the family of Kathy, Please accept my sincere thoughts of sympathy. I cannot begin to tell you how very sorry I am to hear that Kathy is no longer with us! On November 7th she came to my aid when I was not well. We were both attending a conference and I became ill. She and others thought I was very seriously ill (I had passed out). I was so very grateful for her help and support. I never imagined she would be the one who would not be us! I know Kathy through Excelsior College. She and I worked together as examiners. She was a wonderful colleague. I often have meetings at Mount Carmel and always looked forward to being able to see Kathy and say hello. My thoughts and prayers are with you. Kathy, as you know, was a wonderful, caring person. I will miss her very much. May you be blessed with peace. Sincerely, Juanita Reese Kline

“ Please accept my heartfelt condolences for the tragic loss of your mother. She spoke of her children frequently and loved you all very much. Kathy and I worked together at St Ann's ER for many years. We teased her alot about her "accent"! She was a great nurse and wonderful person and will be missed. Peace, Julie Currington Neary RN

“ Jason, Jeff, Kellie, Zach, and Paige...as I am beside myself with grief, I can only imagine your pain...As you know, I've been your Mom's friend since we were 15. Yet, all that time was not enough to fully come to appreciate all that she was...very Loving Mother, superb Nurse, energetic and compassionate Teacher, dedicated Grandmother (Maw-Maw) and friend to so many...She was my dearest friend, and as we said often, she was my soulmate...as you all will, I am and will always hold her close to, and in my heart. Let us all re-dedicate our Lives to be the best we can be, as she did, and in so doing honor her and allow her to Live vicariously through us all. In this way she will Live on until we meet her again on that great, shining shore where she will be bathed in that which she Loved so Much, and that which I called her often...Sunshine...until we meet again Kathleen...I Love you and all those that you leave...and IWLYAAFWMHASABB...IWABYSMALH...Aaron

“ There's a saying...."some people come into your life and quietly go and others leave footprints on your heart and you are never the same." Kathy's loving and compassionate demeanor has left a lasting impression on those she taught and those who taught with her. Rest in peace dear Kathy.

“ To Kathy's family, this is so tragic and so heart wrenching. I worked with Kathy at Chamberlain College of Nursing, she was a wonderful woman. In the short time that I got to know her she touched my life in so many ways. Kathy had so many friends that love her, so many people were touched by her caring and giving heart. She was an example of a wonderful human being. She will be missed.
