“ Mrs. Barry was such a special part of our lives. She shared her love of horses with so many, and I can never think of riding without remembering her. She added so much to the lives of the Stein family. Wishing you all peace.

“ Hey grandma, the day has come we start our goodbyes and I am not sure I am ready. I am sure we will all stick together and get through this. You have left us so many memories, and for that I am grateful. I always used to say, Grandma Barry always had a party, even if it was one of our kids getting potty trained. You liked being together and I understand that now, I wish i understood that more when I was younger. As you look down on all of us today, with mom, gramps and nana by your side, remember what I always said to you... You and gramps started all of this... I love you and another piece of my heart has gone to heaven with you. Until we meet again... Hugs & kisses, Amy
