“ *Kathleen was a very dear friend. I met her in the shrine where I worked. I met her in the year 2000 when the pilgrims came from Columbus we have stayed in touch even after I retired. I will miss her phone calls. She was a very caring sweet lady.*

“ We at Our Lady of Consolation in Carey, Ohio are saddened and shocked to learn of Kathleen's passing. She was a regular at our 11 AM weekday and weekend masses and throughout the Novena celebration here in August. She has been enrolled in our Perpetual Mass Association and a candle is lit at the altar of Our Lady, one of her favorite places. Kathleen will be missed. May her soul rest in peace.

“ I have known Kathleen for many years and am a former Co-Worker at Wendy's. We became friends and share many fond memories from over the years. We have stayed in contact periodically since Kathleen's retirement, and she even sang Happy Birthday to me in a voice mail message. I am sorry that I was not able to attend her service. I plan to make a memorial contribution in her honor. I will always remember Kathleen fondly, and my condolences go out to her family.

“ Kathleen was a colleague of mine at Wendy's for many years. She was professional and efficient to the nth degree and was a pleasure to work with. We collaborated on a number of projects over the years and we could always count on her to do a wonderful and timely job! She was truly a great example of the Wendy's family culture that spawned many long-term employees!

“ I worked with Kathleen at Wendy’s for so many years. She was the consummate professional. She was always so good to me and quick to help with anything I needed. Her “New England” personality could be a bit aloof but in time I discovered her deep kindness. May you be forever at peace Kathleen.
