“ I met Kay while I worked for the Dublin Recreation Center teaching crafting classes at Avondale. She really was the brightest light in the room. She consistently and proudly talked about her grandkids Buck, Keeley (sorry if the spelling is wrong), and her adult children. Kay would even stay after the class was over we'd chat, talk about watching 90 day fiancé, and talk about family. I remember her love for adult coloring books and when she showed me her binder of complete works. When I let her know I was moving to Florida to be closer to family, we exchanged addresses and phone numbers and we'd call and write to check up on each other. She sent me a few beautiful handmade ornaments, which I hang on my tree each year. She was a sassy, sweet, funny, and compassionate lady and I'm glad I had to opportunity to know her. I'll miss her sense of humor and sweet and sassy demeanor. Sending your family prayers of peace and comfort during this time. May her memory be eternal!

“ What can I say about the mother-in-law who was so kind, and selfless? Kay, thank you for being everything to Graham and Cydney. You helped make rough seas calm. You loved all of your grandchildren, and mothered them through all of their personal journeys. You truly were a Godsend, and a gift to us all. Thank you for always being so kind and loving to me. I hope you are smiling, crafting, enjoying all the sweets, and dancing with Jesus! Love you forever, Pam
