“ *Dear Mark and Matt, Tonight I suddenly realized that I had not seen a Face Book posting by Katy in a while so I checked her home wall and discovered she has passed away. I am so sorry for I know you must be heart broken to loose this beautiful daughter and sister! I told Will tonight that his first true love has moved on to a much better place. After many tears away from me (in the shower), he is dealing with the shock yet comforted by knowing Katy is no longer in pain. Please know you are in our thoughts and prayers here in NC where Will and Katy shared a very special friendship! Please email and call us any time for we would be so blessed to fellowship with you! Katy Kate and Deb are forever together! Praise the lord! Love Always, Jeff, Sara and Will Taylor Kernersville, NC.*

“ *Mark and Matt, please know we are wishing you peace with the spirit you will always carry with you from the love and life you shared together. Cancer is a terrible burden but it does not take away any of the love and meaning of the life we are given. Please hold on to and love the spirit of your loved ones no matter where they travel.' Love Gary and Lek*

“ Dear Mark, Katy was such a delight for the 2 years she was in my Tutor period at GLHS. I enjoyed her creative writing pieces and I feel honored to have had the opportunity to watch her "blossom" into a bright young woman. I will not forget her bright spirit. My thoughts are with you and your family at this difficult time. Sincerely, Betsy Coccia Gahanna Lincoln High School

“ To the Family of Katy Hamilton, I'm deeply sorry for the loss of your loved one. Katy was a student in my sophomore English class at Gahanna Lincoln, and I feel lucky to have been her teacher. In addition to being a very good student, Katy was a wonderful young lady and she was a pleasure to work with. She will be dearly missed. Sincerely, Joe Mischler Gahanna Lincoln High School
