“ To the Spencer-Dawson family: I am praying that God provides you and your family with His peace and comfort during this difficult time. Katie was a joy to know and a very dear friend of our family for many years and we will miss her very much. I know Doris, my mother was there to greet her when she arrived and that they are singing and dancing together in heaven with the choirs of angels! God be with you. Love, Debby Mirise Kraus and family
