“ *Dearest Walt and family. I just recently found out about Kathy's passing. I met you once at a Gem Show perhaps 10 years ago, but I doubt you remember me. I worked at the YWCA, and found Kathy to be one of the best people on this earth. I am sure she is now one of the best in heaven as well. I am very, very, sorry. She was such a dedicated person, to her family, and certainly to the YW. Always helpful, always smiling. Once I thought I had not earmarked some grant money correctly for some of our programs, and was actually ready to quit in shame if this turned out to be true. Kathy sat down with me, (she was at lunch, at her desk!) and showed me where the money went. It was not lost, but spent, as it should have been. I admired her skill, and her sweet attitude, from there on! I know from talking to her those many years ago, she loved you, loved her daughter, and family. She found the love of her life, you, and thus her life was everything. I am sorry Kathy and I never exchanged grandson stories, as the last time I saw Kathy, was at that Gem Show in Columbus. Love to you, much love to all who shall miss her.*

“ 12-16-2011 Walt, I am so sorry to hear of your beloved wives passing. Her and I are the same age. It just doesn't seem possible. She was taken away way to young. I am sorry if she had suffered with her cancer as I know so many do. I pray she is in a better place. My condolences to you and your family and may time heal your pain. Sorry I never made it to the funeral home. God Bless,
Barbara Pendleton
