“ Kathy , you were a wonderful neighbor and friend for many yrs. When I was in post partum depression after having Jillian , you would call me to see if I was ok , often took Jade and Jordan to your house and said " baby is sleeping I got them " take a nap ". You also would watch out for Jordan " because he would often run out of the house (as a toddler) you would zoom off in your van and bring him back. Even though I had a flower garden , I rarely tended to it but you often did! When you knew one of the kids were sick " you would bring popsicles over for them". We had lots of talks on your porch, or ours. You taught me a lot about " parenting "a wild little boy ". You taught me to laugh and not be stressed by Jordan . There are so many memories with you that are so sweet. You were a blessing to us! I thank God for you ! You will be misssd . 💜 Sandy & Kutanon family
