“ To The Best Family:

Dear All,

Hearing about the death of Keith Best was unexpected for me. I had to do a double take of the announcement. It is a tragic and sudden loss which no one should experience. I knew Keith for a short while, while working for Randy. We talked as we crossed paths in and out of the office. He was a standup gentleman which represented the family well like his siblings. With heartfelt sympathy, please accept my condolences and know I am thinking of the Best family.
