“ *My heart goes out to Shirley, Mark and Todd. I am so sorry for your loss. I just found out about Keith. My memories of Keith are precious to me because we were teenagers and in our early 20's. The best of times. Keith was always a go getter. He had more jobs and started more companies for a young person than most people do in a lifetime. He was adventurous, brave and had a passion for making it. He loved his family. His Mom Shirley put up with a lot being a single Mom of three boys. She did a fine job raising them and Keith LOVED her deeply. Keith and I had some great times together that all started when we were around 16 years old. The first time I ever saw him was at Mongos on Highland. I thought he would never like me, a shy girl from Frayser. We hung out for more than 8 years. We lived about 3 years in LA on Sunset Blvd in Hollywood. We were just kids living life to the fullest. I did not talk to Keith for the last 20 something years because I got married and had a family. I will never forget you Keith Mullen.*

I know you have found the gold in Heaven. We will see you again when it is our time.

*Peace,
Mandy*

“ Shirley and family, my heart goes out to you. As you know I've known Keith since the early days of his Ghana ventures. We all know he started out with such great intentions and great enthusiasm - we all hoped for the greatest successes. My heart...and the heart of many others...is heavy with his passing. I will keep you in my prayers.

“ Dear Shirley and family,
Please accept my heartfelt sympathy. While I never had the opportunity to meet Keith, losing a child, at any age, has to be one of the most difficult things a parent must face. My thought and prayers are with you at this time.

Sincerely,

“ *TRIBUTE BY ISAAC ANNAN RIVERSON - A friend and Attorney*

I first met Keith in September 2013 in Accra after he was introduced to me by his business partner Albert Tabirih and right from that very day we became great friends and brothers. I subsequently became his Attorney here in Ghana and we started working together to help build his business. What a good guy to work with?

The news of his untimely death here in Accra came to me as a great shock. Just few days before on 20th May, I had visited him in his hotel room after my return from Europe. We discussed wide range of issues, not the least how to revive his business here in Ghana which had suffered some setbacks in the recent past. He was very hearty as he lied on his bed and ushered me into a sofa. He jokingly "flashed" in my face a bundle of local currency and with such optimism and seriousness in his eyes, he told me "Isaac, I've got a lot of cash now so we shall soon be back on track". We both laughed over this and agreed to meet the next weekend to plan our next line of action.

Keith showed no signs of ill-health at all and the message I subsequently sent to his mum Shirley in the US was that "Keith is okay health-wise".

On the morning of 27th May, 2015 I was in a meeting when I received a call from an informant with the news that my good friend Keith had become frail overnight and wasn't taking his food. I immediately asked the informant to rush him to the hospital and wait for me to meet them there. I also received an email from Shirley who wanted to verify the same information she had received from the same informant.

*Less than an hour later whiles I was waiting to know which hospital he had been taken, I got a call that my dear friend and brother had been pronounced dead on arrival at the Police Hospital in Accra. **WHAT A SHOCK. MY FRIEND WAS GONE TOO SOON!***

I still cannot believe that this great man with a determined spirit to explore business opportunities here in Ghana is no more with us! His sudden death is a huge blow and loss to me personally and one thing I will always remember him for was his PASSION FOR SUCCESS!

As we say here in Ghana in the local Twi language,

"BROTHER KEITH, DAMIRIFA DUE! DAMIRIFA DUE! DAMIRIFA DUE DUE DUE!!!

May his Gentle Soul Rest in Perfect Peace!
