“ i'll lend you for a little time, a child of mine he said, for you to love while he lives and mourn for when he's dead.it may be 6 or 7 yrs or 22 or 3 but will you till i call him back take care of him for me? he'll bring his charms to gladden you and shall his stay be brief, you'll have his loving memories as solace for your grief. i cannot promise he will stay since all form earth return, but there are lessons taught down there i want this child to learn, i 've searched the wide world over in my search for teachers true and from the thrones that crowd lifes lanes i have chosen you. now give him all the love you can nor think the labor vain nor hate me when i come to call and take him back again. i fancied that i heard them say,"thy lord it will be done, for all the joy this child shall bring the risk of grief we'll run. and should the angels call for him much sooner than i planned i brave the bitter grief that comes and try to understand
