“ *Ken was such a terrific person. I became acquainted with him back in the AVM days when my father and he worked closely together - my dad being at Jamestown Plywood and Ken at AVM Corporate. They were social friends at Moon Brook Country Club as well. Eventually both realized their dreams - Ken purchasing Jamestown Metal and my father Jamestown Plywood. As a salesman I called on Ken and he was always a gentleman. My thoughts are with you*

“ *What a fine gentleman Ken was. I had the honor of working with him on two mission trips in Kentucky and saw firsthand both his hard work and genuine concern for others. I have no doubt God welcomed Ken to Heaven with those familiar words "Well done, good and faithful servant."*
