“ *Dear Ballentine Family, Although not knowing you or Mr. Ballentine personally, I would like to extend my condolences to your family. I am writing because I too have lost someone to death and many individuals that we did not personally know impressed me and my family with words of comfort. I hope that these few words are comforting to you. I want you to know that the God of tender mercies will provide comfort to you during your tribulation and will provide support you (2 Cor 1:3-4).*
