“ *Dear ken, I'm going to miss those hugs and kisses you use to give to me in the e.r. and tell every thing is going to be alright. It was an honor knowing you and being your friend. We will see each other again someday. May peace be with you good-bye old friend.*

“ *If you could see me now you wouldn't shed a tear. Though you may not understand why I'm no longer there. Remember my spirit that is the real me because I'm still very much alive, I've just been set free, Oh, if you could only see! I have beheld our Father's face and I've touched my Savior's Hand. All of Heaven's angels rejoiced as I entered the promised Land. Beyond the gates of pearl I've walked on the golden streets. I've touched the walls of jasper and dipped my foot in the Crystal sea. The beauty is beyond words and nothing could Compare, I've even seen your mansion and someday I'll meet you there. Let Jesus be your guide because His Word will show you the way! So please don't cry because we will meet again someday. - Author: Patsy Stambaugh Deskins*
