“ *So very sorry to find out Kevin is gone. We went to High School together and we were close friends. I have lost touch in the last few years, but I have never forgotten how special he was. Never met his kids, but I remember when he met Tina. He was smitten from the get go! I know he will be missed by all who knew him, even from years ago! Rest in peace, old friend.*

“ Mr Maloney will always be remembered as a beloved patient. I always felt better when I walked into his room and spoke to him and his wife Tina. What a beautiful couple! His personality was like a gravitational pull and always so positive and optimistic. I am grateful to have had the opportunity to meet him and provide care to him. My condolences to his family.

“ Mary Jo and Family, I can still remember Kevin somehow talking me into going down to Davis & Elkins to pick you and a friend up to come home. Uncle Kevin was loved so much and he will be missed dearly. I am sending all of my love your way. He was a fighter and was so strong, but now he is watching over all of us with Grandma and Patty. “ My sincerest condolences. Kevin was an eternal optimist who believed deeply in himself and his innate abilities to succeed. I just lived down the block from Kevin, and in our high school days we would spend hours in my basement playing pool and sharing dreams. He would always say, one more game Tom, rack 'em up. And we'd play one more, than another, and on and on. Love you!
