“ Your Mom Misses and Loves You So Very Much, My Heart Aches Daily, Wanting to see you, hug you and to hear your voice. I'm so very awaiting the day that God allows us to see each other again. You are never forgotten for I carry you in my heart, soul and mind daily. Until we meet again I'll always be thinking of you and keeping your spirit alive through your baby girl K'Aaliyah. I will make sure she knows the wonderful Father she was blessed with.

“ Thinking about you a lot today. Missing my big brother. There's days when I literally think "oh I can call bubby" but I remember I can't. There are days when I still feel like your here, it's been 6 months tomorrow and it still doesn't seem real. I hate not having you around. Loosing a sibling is the worst feeling ever and I wouldn't wish it upon my worst enemy. But I try and stay positive and remember your at peace with Jesus and out of this crazy world. There's been so many natural disasters going on and things that revelation said would happen...our family may see you sooner than we think, Jesus is coming. Miss you bubby so much 💔
