“ *Kevin Jr. - My condolences to you and your family. Your father was very helpful to me when I was a young engineer just getting started in the consulting business. He always treated me and my colleagues with kindness and patience. And I treated him with great respect. He was a fine man.*

“ To the McGovern family:
My sincere condolences!
I can still picture “Sr” sitting in our office telling stories and could
always tell when he was there! The Hershey kisses wrappers/bits
on the floor!LOL
Was always a delight when he came to visit the OGA/CDGA office!
