

## Kevin E. Yeamans

April 18, 1957 - October 13, 2024

Kevin Eugene Yeamans, 67, passed away on Sunday, October 13th at his cabin in the hills of southern Ohio. Kevin died on what would have been his late father, Ralph's birthday. He was born on April 18, 1957 in Columbus, Ohio to Ralph Yeamans and Mary Lou Donaldson. He was preceded in death by his younger brother Thom Yeamans. He is survived by his mom, Mary Lou Yeamans, his sons Canyon Yeamans and Calun Yeamans and grandchildren. Kevin imparted his curiosity, love of travel, and drive for self-improvement to his sons. Kevin will be sorely missed by his special friend Barb Randall and her six grandchildren (Claudia, Aiden, Clara, Bradley, Katie and Hannah) that loved to spend time with him. Kevin attended New Albany High School and graduated from Eastland Vocational school and The Timken Company's machinist apprenticeship program. Growing up he loved hunting, fishing, skiing and craftsmanship of all kinds. He excelled in motorcycle enduro races and was nationally ranked as a bareback bronc rider in the rodeo. His talents as a machinist took him around the world maintaining specialty paper and pulp industry equipment. His presence positively impacted people worldwide including in the former Czechoslovakia, while it was still behind the iron curtain. Kevin achieved the rank of lieutenant during years of service to the Greenfield township volunteer fire department. He was a talented electrician for a number of years for his father's company, Electro Mech, and then an inspector for Greenfield township. He was a master of everything mechanical and electrical and loved sharing that knowledge with anyone that needed his

help. He made great friends in the Fairfield County Antique Tractor Club and in his wood working club. He will be missed by the neighbors he loved to share time with tinkering on things in the barn of his dreams situated in the hills he loved. He was always ready to lend a helping hand and to share a story.

Visitation will be on October 23, 2024 at Rutherford-Corbin Funeral Home, Worthington, from 11am -1pm. “ One of the finest men a guy could know. He would do anything for you and never ask for anything in return! Just loved to live on top of the hill. Loved his lady Barb, and just lit up every time she called, and loved life in general! Always happy just to be where he was. Always made you feel welcome just sitting on his porch or in his garage. Would do anything for ya'! We would sit back and talk about nothing for hours and it seemed like only minutes. So many plans and so many happy dreams. The world is a smaller place without him.

“ Your overwhelmingly kind heart endeared you to many. You made people feel respected, and wanted and even though I could not participate in all the things you did together, I loved hearing the happiness you brought. The dreams and the future, though they did not all get to all come true, they were good dreams, never negative, making happy memories. Thank You for giving some joy to this world.
