“ Jim, Zach and Elizabeth,  
I am so sad to learn of Kim's passing. I have re-married and live on a farm outside of Van Wert Ohio. So I will not be able to attend a service. But I wanted you to know how special Kim was. She was such a kind, loving soul. I will always appreciate all the hours she gave helping me with PTO projects at Wilson Hill. When I was PTO President I could always count on her to help me out. She loved you Jim and supported you with all her heart when you were out of the country working even though it was rough to have you so far away. Zach and Elizabeth, your Mom glowed when she talked about you and how proud she was of you. My thoughts and prayers will be with all of you.

“ My heart is heavy at the news of Kim's passing. I first met Kim in sorority at Otterbein in winter of 1976, when she was the Pledge Mistress for our Pledge class. What a kind, gentle, soft spoken soul she was. Kim always made everyone feel right at home. She helped ease my nerves as a first time mom when I had Kelly in April 1987, just before she had Elizabeth a couple of months later. Kim was for sure a gift to anyone that had the privilege of knowing her. R.I.P., dear friend.

“ I knew and worked with Kim through various library activities in the state. She was a devoted and committed librarian who was passionate about serving students and helping promote librarianship. Her calm and quiet approach to service is a model for all to follow. I know she loved her family above all else ; it was evident when we talked. My deepest sympathies and prayers to all family members.
