

## Kimberly Ewing Black

January 23, 1954 - December 12, 2020

Kim Ewing Black passed away Saturday, December 12th, 2020 at his sister's house in Powell, Ohio. He was born January 23, 1954 to his parents, Charles "Bud" Black and Nancy Ewing Black who preceded him. He is also preceded by his brother, Terry Black. He is survived by his daughter, Amanda Black, stepson Jared McKittrick, sister Kathryn Black, brother Barry Black as well as many loving nephews, nieces and cousins. He was a Navy Veteran and was employed in the HVAC trade working for over 25 years at Metro Heating and Air Conditioning in Hilliard, Ohio. Member of the Buckeye Lake Moose, AMVETS and Fraternal Order of the Eagles (FOE). Making someone blush or laugh would cause his eye to twinkle with happiness and love. An avid reader of westerns and mysteries and the occasional sci-fi books he was also a big Cleveland Browns, OSU Buckeyes and Cincinnati Reds fan. He cheered on all his Ohio teams! He enjoyed golfing for years until his health no longer permitted that aggravating sport. Kim was happiest spending time out imbibing with family and friends and do so whenever possible. No one would ever dispute he was a nice man and a good friend. There will be a Celebration of Kim's Life sometime next year due to the pandemic. Please make a donation to an "American Veterans Associated charity" of your choice in his name.
