“ *Our thoughts and prayers go out to Kim's family and friends; we are so sorry for your loss. We got to know Kim as our travel agent when we were planning several trips this year. She was a very organized, personable, and caring person to work with. We did not know how ill she was.*

*Kim was also a very giving person. This summer I contacted Kim to see if her company would be willing and able to make a donation for a local fundraising event--that would benefit pediatric cancer patients and their families. She graciously donated a gift card, with the proceeds going to pediatric cancer efforts. So please know that, because of Kim's gentle and giving spirit, the life of families with children who have cancer in central Ohio is a little bit easier.*

“ My heart and prayers go out to Martha , Karen , Kevin and families and friends . I never remember a time when I saw Kim with anything but her beautiful infectious smile... she will be remembered for her kindness , love of life and her smile . Of course our memories go back to high school cheerleading but I will always be thankful for Kim and a friend rescuing my single daughter Jaime in Delaware when she had a hot water tank emergency in her house.. it meant so much to a mom 2 1/2 hours away . I'm sure you'll hear lots of wonderful stories about Kim and the many lives she has touched . God gave us memories that we might have Roses in December 🌹
