“ We have lost an earth angel. Kim accomplished so much in such a short time, more than most of us could attest. She helped people selflessly. I know, because my life was made better by Kim's kindness, goodness, and wisdom. How do we truly honor her memory? I think if all who knew Kim aspired to be even half the woman she was, and make a positive difference to even half of the people whose lives she touched, that would be a good start. I think Kim would be pleased with this effort. God bless her family at this extraordinarily difficult time and thank you for sharing Kim with us. She will not be forgotten.
