March 30, 1981 - August 7, 2020

On Friday August 7th, 2020, Kinze Jean (King) Cox loving mother of 3 children, daughter, sister, and aunt went to be with the lord at age 39. Kinze was born on March 30, 1981 in Toledo, OH to Rex and Jeryl (Holycross) King. Kinze was an Underwriter at American Eagle Mortgage. Kinze's pride and joy were her 3 daughters, Kamryn (20), Kaya (15) and Anderson (8). She had a great love for the outdoors, live music, and was always known as the life of the party. Her smile and laugh were electric and she had a way of making anyone she met feel special to her. She knew no stranger.

She is preceded in death by her maternal grandfather, Jack Holycross, and paternal grandparents Leo and Sue King. She is survived by her grandmother Jean Holycross, her parents Rex and Jeryl King, three daughters Kamryn, Kaya, and Anderson, as well as her siblings Rex (Kenidi), Jodie (Nick), Kreg (Katie), Kiley (Denny), and Kirsti (Ridge) and several nieces and nephews.

It is still hard not living life without her and she will always be in my and really big family's hearts. I made it 4 years without her now. I love you mom.

“ Kinze and I worked together at HHM. She was such a free spirit and I always loved our pow wows in her office to commiserate our crazy industry. She was so well versed in what she did and was an even better momma and always put her babies first. When we worked together I was pregnant with my third little girl and looked to her for advice on what does three little girls look like for a working mom and she always had words of encouragement and positivity. I was in absolute shock to learn of her passing and my heart literally breaks for her babies. Girls please always know she will be with you in heart, mind and spirit. I lost my mother as well, and I know words like this sometimes don't resonate while you are hurting, but look for the signs of her all around you. She will always be watching over you. Love and prayers.

“ I will always remember Kinze as such a beautiful, bright, warm young woman. I was a grade below her in high school. I have no idea how, but we started this silly joke about meeting at the flag pole to fight. We would pass each other in the hallway and pretend to be "fighting". It was silly and all in good fun. But, it meant a lot to me. I was a new kid in the district, and didn't have many friends to even have silly inside jokes with. All these years later, I remember that, and it causes me to reflect on what a genuine person she was.

To her family, I am so sorry for this loss.

To Kinze, may angels lead you in.
