“ Dear Terry, Liv and Ava, I find myself thinking of Kodi so often. I just can't believe she isn't here. So many times I go to call her only to remember that I can't. I have so many memories of Kodi. We shared so many jokes, secrets, and good times. The one thing she always mentioned in each and every conversation was her family- she called Terry her rock and Liv and Ava- you were her greatest gifts. She loved you all so much. I hope in time that the many memories and special times you shared will bring smiles to your faces. Kodi is so proud of all of you and her love will live on forever.

“ Terry, Olivia & Ava —

*We were very sad and shocked to hear about Kodi passing away! She was such a lovely sweet lady with a kind smile. We will always remember the times our small “Guat playgroup” got together for some fun & laughs when the kids were so young. Even though all of our kids are now older and so busy with activities, and it's been quite awhile since we all met up, Kodi & I would occasionally message each other to catch up on things and what was going on in our lives. I'm sorry she never shared this last illness. Please know we are keeping you three in our thoughts and prayers, and we send much love and (((hugs))). Let us know if you need anything...

“ Terry, Olivia and Ava,
We are sending you our deepest condolences. Kodi was such an amazing woman. I am incredibly sad that I didn't know what your family was going through and I wasn't there to offer support. Please know that you can reach out at anytime. I'm just at a loss for words. I am so very sorry for your loss.

“ I don't even know where to start. Kodi was a wonderful person, friend, mother. Our babies grew up together and I will always have the best memories of our play dates. She loved having people over to celebrate birthdays. She loved movie nights outside with all the kids in the neighborhood. She loved her parents. She loved coffee with cinnamon. She loved fall. I can't believe I will never hug her again or just pop over for a chat. You will be so missed. Terry, Olivia and Ava, I will always be ready to help and talk. Love you Kodi ❤️

“ To All,
I wanted to share some of a message I sent to Pastor Rob:
Rob,
Thank so much for the fantastic eulogy today at Kodi's memorial ceremony!
Your ability to intertwine the "day-to-day real- life" experiences with the faith-based religious aspect is extraordinary!
Especially when you said "Kodi is now living eternally, we are the ones which are dying".
and to Olivia and Ava
"Your Mom is, and will always be, a part of you...with you, and in turn, with your children as well."
Sincerely,
Terry

Thank you to all for the love and support you have shown our family! We know we are not alone in our grieving, but also know we are not alone in our celebration of Kodi and how much she means to us!

“ I’m so sorry to hear of the loss of Kodi. She was one special friend! We became so close through the adoption process of Olivia and Brylee. I can’t stop thinking about her and actually had a dream of her last night. I will miss seeing her posting pics of the girls! I hope to still see posts of the girls growing up. She will forever be a wonderful memory in my heart! I’m so sorry that I didn’t get to see her the last few yrs.

“ Words fail us! We are devastated by your loss. Kodi and your family have always been in our thoughts and prayers. We enjoyed our times together either at a family event or simply sitting with you and Kodi around your dining room table. Sharing your and Kodi’s joy in welcoming Olivia and Ava into your family is a very special memory. Your love for each other and your girls has been palpable. It’s difficult to be so far away from the family. We will always have beautiful memories of Kodi and will continue to keep you, Olivia, and Ava in our thoughts and prayers.

“Kodi was my confidant and my friend - even when we didn't see one another in person, we stayed in touch. We met while we were waiting for Olivia and Alex to join our families, but we had so much in common beyond adoption. Our families got together and our kids were best buddies as toddlers. My friendship with Kodi continued through toddler years, moving to Worthington, getting through Covid and everything in-between. I think of her everytime I hear Pink, drive past Crimson coffee or look at a funny meme. I miss her already but I know she fought to the end.

My heart breaks for Terry, the girls and her parents. I am keeping them in my prayers as they navigate this new normal.

“Kody was a great person- sweet, funny and smart. I got to know her when our youngest went to pre-school together. I loved our chats while the kids played. My heart breaks for Terry, Olivia and Ava. I know Kody will be watching over them in a way only a loving mama can! I am praying for the whole family.
