“*Kristi, your life was such an inspiration to me. I watched you from two doors away for almost 3 years. I felt helpless, not knowing what to do for you. One of my funniest memories was when I spilled half a crock pot of pumpkin soup on your front porch. I was mortified, but you must've been laughing on the inside as I dashed around with the hose trying to hose down your porch. Thank you for allowing me to be a witness to your extraordinary life. I am so thankful for the moments we had together. You've touched so many on this journey. Your family will always know you through the legacy you've left. God bless you. Our Lady will forever remind me of you.*”
