I am so sorry for your loss of your daughter! As parents we never think this will happen to us, but as you and I have had to learn it does happen ! Take hope in the knowledge that she loves you and will see her again if you are walking to God in Heaven !

I got to know Kristi as a nurse caring for her. The Lord moved me to take her a Bible and talk with her about heaven. I felt led to do that after meeting her children, aunt and mother. Kristi recommitted her life to Jesus Christ on November 7. I send my condolences to the family. She is no longer suffering struggling with each breath, but she is in heaven with Jesus.
