In Loving Memory of
Kristin Leigh Staskiewicz

July 27, 1989 – January 22, 2022

Kristin was so many things to so many people, but unquestionably she was good. She was extremely creative and excelled in all forms of art, music and writing.

There are no words to fully express our heartfelt thanks for all the sympathy, love and outpouring of support that has been extended to our family during this time of incredible loss. We encourage each of you, as we have been, to reach out and connect with each other and be each other's strength during these, and all difficult times.

Kristin in her last days, was surrounded by her immediate family and passed peacefully. Our beautiful daughter, sister, friend, or significant other has left to be among the stars; her memory will shine on in each of us. Think of Kristin often, and in doing so you will honor her life and her memory. Remember her how she was: smart, creative, tough, independent, beautiful, determined, resolute, funny, caring, silly, inappropriate. She will be remembered with love long after her time here on Earth.

Kristin is survived by her biological father Joel (Holley) Staskiewicz; biological mother Diane (Robert) Seely; siblings Justin (Katie) Staskiewicz; Caitlin (Tyler) Graham and their son Logan; Alisyn Staskiewicz; stepsisters Leah (Jarred) Lawson and their daughter Lilliana, Tess Stern and half-brother

Reagan Seely.

A Celebration of Life ceremony will be held in the very near future. We are working to schedule a venue and a date. All are welcome to join us as we showcase her talented artwork and come together to share stories of her unique personality.

We just have to say how sweet it is that we got to spend a short time in her life. The kids are all grown up now, but we had many of fun times when they were young. Miss you all. Peace.
