“ *I've known Kristine for 17 years. I first met her when she went to work for the College of Veterinary Medicine in the early 1990s. I left the college in the last half of the 1990s and worked at another department until retiring last year. In January, I came back from retirement to help out at the college, and Kristine was there to greet me. I will miss Kristine.*

“ Dear Mrs. McComis and Jim, Please accept my deepest sympathy for the loss of your daughter, and Jim your fiance. My daughter, Julia McCormick spoke of her often and for many years they"painted the town red" together and had a lot of fun. No doubt your hearts are broken. I hope the pain is lessened some by it being shared by those who loved Kristine. May you be comforted by memories of the time on earth you did share. I hope you experience God's love in this deep valley of pain and death.

“ Our prayers and thoughts are with you at this time of loss. It has been a number years since I last saw Kristine, but I remember her as a thoughtful and loving daughter. Jackie and I both recall several of her thoughtful and explicit comments made to the Columbus Dispatch regarding animal situations at the OSU Veterinary Medical Center. It is a tragic situation. Please accept our most sincere condolences.

“ I met Kristine a couple times when I spent the Christmas Holidays with my nephew, Jim (her fiance), and family. I liked her instantly and believe that she had a strong influence on Jim and enhanced his life. She brought the best in him which I know he appreciates. There is a large hole in our hearts the Kristine occupied and I shall miss her. God bless her and her family and friends. Ann

“ It's not logical or fair our dear sweet Kristine was taken from us way too early and way too fast. I can only turn to God for strength to mourn her passing. I can say I was truly blessed to have had her as such a dear friend for 20 years since our days as Delta Zeta's at Wittenberg. She's has been one of my best friends since I moved to Columbus 12 years ago. I have so many fond memories of our time together. I'm going to miss her soo much.

“ I went to Wittenberg with Kristine and although we didn't have a lot of interaction I knew her as a gentle, bright, happy person. My sympathy goes out to her family, friends and fiancée.

“ Mrs. McComis, I'm so sorry you had to lose Kris. No mother should have to bury their children. The video of her from infancy to adulthood is absolutely beautiful and reminds us again what a terrible loss this will be for you and your family and all who knew her. I hope she is with her dad and grandparents, catching up on what's been happening in Heaven. Just know that she will never truly leave you.

“ I too was a member of The Worthington United Methodist church. I knew Kristine from school (WHS '86) and band--however, we were not close friends. I recently ran into her at a Halloween party just a few years ago. She had truly grown up into a beautiful, intelligent person. I was so impressed with her and was glad I was able to see her again. I am very sorry to receive the news. I wish the best for Kristine's family during this difficult time. God bless.
