

Kristine A. "Roehl" Jones

September 15, 2008

Kristine A. Jones (Roehl), 42, went to her eternal home on September 15, 2008. With her family at her side, she died at home after a courageous battle with breast cancer. Kris was full of life and her life was full. She was a full-fledged Buckeye who graduated from The Ohio State University with a Masters of Science in Nursing in 1999. She spent her professional career as a certified nurse midwife in practice at OBGYN of Galion and Professionals for Women's Health in Columbus. She was fulfilled through her faith, her family, her career, her music and most significantly through her daughter and best friend Katy. She loved the beach in the summer and the fall in the mountains. She crossed the finish line at the Susan G. Komen for the Cure under her own power for the 7th time as a survivor in May of this year. She was greeted in heaven by her father Rev. W. Keith Roehl. Her surviving family awaits their glorious reunion: her husband of 20 years, James D.; and daughter, Kaitlyn of Powell; mother, Connie Roehl of Grove City; sisters, Cindy (Bryan) Elliott of Grove City, Carie Roehl of Grove City, Cheri (Jim) Davison of Upper Arlington; nephews, Zach and Alex Elliott and niece Reganne Elliott. On behalf of Kris, the family gives undying gratitude to Shannon Eagle, Pastor Joel Jenswold, Dr. Charles Shapiro, Dr. Ty Huggins and Raine Cropper. Donations and gifts can be given to Susan G. Komen for the Cure, P. O. Box 650309, Dallas, TX 75265-0309. Calling hours are Wednesday 2-4 p.m. and 6-8 p.m. at Shepherd of Peace Lutheran Church, 520 Village Park Dr., Powell, OH 43065. Funeral services will be at the church at 1 p.m. on Thursday, September 18, 2008, with

“ Kris was my very first obgyn care provider, and she was amazing. She had a sincere and easy way about her that lifted my spirits and made me completely comfortable. The news of her losing her life to cancer came as a shock to me. I pray that the peace of God will be with you all, she certainly carried it with her in this life and is basking in it now. How great that she has so much family to reunite with her there someday!

“ My sympathy to Kris's family. Kris was a wonderful person, friend, mother. Kris delivered my daughter Bailey 8 years ago. She pulled me through my labor and delivery in such a kind and loving way. It's a day I will never forget and am so thankful she was there to share it with me. I helped babysit Katy for a summer for Kris and Jimmy. What a beautiful daughter!! Katy, your mommy loved you more than anything. You were the sparkle in her eyes. May you find comfort in God and in the memories you have of her. “ I extend my deepest condolences to the family. You are in the thoughts and prayers of a great many people in our community. Kris was truly an exceptional person and professional. Her compassion, her wit and her kind spirit will always be remembered. She had that special radiance about her that set her apart from other people. Kris delivered my daughter six years ago. We joked together about being "older" moms, and shared stories about our children. Katy, your mom was so very proud of you. She liked to tell stories about all the things you were doing and were interested in. She loved you "all the way to the moon and back!" as my little girl would say. May all of us find strength and comfort in our memories of Kristine.

“ I will always remember Kris' open welcome of me when I wanted to join the senior choir at St. Paul's. Her warmth and love for God showed through her music and her life. I just recently had the honor of seeing her again at the doctor's office and am so glad she got to know that I am ok after much personal turmoil. And I am also glad I got to see her again and experience her smile and the laugh she always had ready, not to mention the love for her work and her patients. She was so caring, giving and loving, and knowing her made me a better person, and showed me that faith CAN and DOES make a difference.

“ I was treated by Kris first at Dr. Huggins' office in Galion and then at Professionals for Women's Health - she was the best so I naturally had to follow her to Columbus. Her family will be in my thoughts and prayers during this time.

“ Dear Family and Friends of Kris, I was truly sorry to hear of your loss. Kris delivered my second son Ethan two years ago. She was amazing. I felt completely comforted by her. She was always cheerful and was genuinely happy to see you when you were at the office. I was so sad when she told me she would be leaving OB/GYN of Galion. Sad for me, but happy for her, in that she would be working closer to home and family. She was a great mid-wife. She will be missed.
