

Kurt W. Paulus

June 3, 1950 - June 11, 2026

Kurt W. Paulus, age 76, of Delaware, Ohio went home to be with the Lord on June 11, 2026. Born and raised in Worthington, Ohio, Kurt graduated from Kent State University with a degree in Aerospace Technology and from The Ohio State University with a degree in Mechanical Engineering. He received his Professional Engineer (PE) licensure in 1981 and worked in the engineering field for over 40 years.

Kurt was a follower of Jesus and lived this out in his daily life. Kurt had a passion for long distance running and participated in multiple marathons and ultramarathons during his lifetime. He enjoyed flying and the many friends he made during his years as a pilot. As a child, his parents built a cottage in Northern Michigan and he spent a lifetime of happy memories there fishing, walking on the beach, and tinkering with his many projects.

Kurt is survived by his beloved wife of 53 years Janene (Lacey) Paulus, son Nathanael A. Paulus, daughter Kelsey Paulus Esber, four treasured grandsons, and brother Daniel O. Paulus (Susan). He is preceded in death by his parents Frank W. Paulus and Claudia O. Paulus.
