“ I know it's been years but I was just thinking about Mrs. Powers the other day. I just found this so I want to share a memory, even if the family doesn't see this I must get it shared. Lana is the reason I graduated highschool. She always believed in me and all of her JOG students. I miss Mrs. Powers every day. I wish she could see how my life is thanks to her. I have 4 kids and a loving wife that Mrs Powers knew and always hoped I'd marry. I hope her family has done well over the years. Also know that my youngest son was born Feb 16 2022, I now seen and will always keep that day in my heart. God bless the Powers family

“ I taught with Lana at Marysville. I shared a room w/ her during her 1st year there. At one point I had a mouse issue in my room and so she gave me a card w/ a cat on it to "protect" the room. Another time, we either had too much snow, or we felt we needed a day off, so she gave me a shake-up snow globe. We also shared the infamous lunch duty. I remember her w/ a smile because she was always ready to smile. My condolences to your family.

“ To the Powers Family, Lana was a wonderful person who was al co-worker and a better friend. I will never forget all the wonderful things that she has done for me. Last night I read my grandson the book *Good Night Mr. Moon* that she bought for him (of course it highlights raccoons). She will be missed and yet she lives on in all of you.
