*Rick and Family,
Your dad was such a nice man; so pleasant, patient and easy to work with. I met him while working at Orange City Schools. I worked with him for at least 10+ years til he retired, and then had the privilege of working with you, Rick, until I retired. I was just sent Larry's obit. I'm so sorry I didn't know, as I would have been there to support you and yours...just as Larry did and you do for all of those you serve. My thoughts and prayers are with you. God bless.*
