

Larry Lee Plaster Jr

June 28, 1968 - April 14, 2021

On April 14th 2021, Larry Lee Plaster Jr., a loving father, brother and son, passed away at the age of 52. Larry was born on June 28, 1968 in Akron, OH to Rita (Whipkey) Plaster Cargo and Larry Lee Plaster Sr. He received a Bachelor's in Business at the Indiana University of Pennsylvania in 1995, where he met and fell in love with Rebecca Burtoft. They raised two children, Alexandra and Nathan Plaster. Larry was a man of intensity: one who loved deeply, cared fiercely, and laughed cheerfully. He loved classic rock, reading, the Buckeyes and Steelers, and his recliner in his man cave. He was a master of falling asleep upright and writing typos in texts despite having the largest font. His heart was in the right place and he loved to talk about his children. His road was not an easy one, he did his utmost to provide. He is truly loved. Larry was preceded by his beautiful and amazing wife, Rebecca Plaster. He is survived by his two children, Alexandra and Nathan, his parents, his siblings, Rebecca, Justin and Andrew, as well as many cousins, nephews, and nieces. May God accept him with open arms, and may he rest in peace.

“ I met Larry at my friend’s, Mallory’s, birthday party more than 2 years ago. We just instantly connected. We both loved the Buckeyes- football and basketball and liked opposing NFL teams, which made it fun. He loved the Steelers and the Penguins. He would always have one of their shirts on. We were about the same age, and we liked each other’s music. He and I love listening to music, and always had music playing. He was good at remembering songs and bands. He was so funny and made me laugh. He had a great sense of humor. We had so many inside jokes that made us laugh. He had the best smile and lit me up when I saw him. He loved to talk. We spent a lot of time talking to each other. He didn’t meet a stranger when we were out. He talked to everyone and cut jokes with them. We both did this so it was always fun going out with him. He was generous with his family. His family was so important to Larry. I loved getting to know them. My family loved him as well. Larry and I did so many things and spent so much time together. I miss him but I am going to keep remembering the good times we had together, so many. I cared and loved Larry so much. We don’t know when we are going to exit this world, so I am so glad he and I spent our time together these past two years. We both brought each other a lot of love and joy into our lives in this short time together. I will always remember Larry with love.

“ *Larry was the first person I met at Cardinal Health and when I moved here in 2016. He was always kind, caring, compassionate and generous. Larry was willing to help anyone. He has a kind soul who loved life and having fun. He had a beautiful smile that lit up the room. We took several vacations together, concerts, football games, hockey games, worked out together, etc. He made me laugh and loved to joke around with my Dad. He loved the Penguins and Steelers, and live music. I thank God that he touched my life and that we had the opportunity to make so many memories together that I will cherish forever.*

He can now be in heaven with his wife Becky, whom he adored so much. My heartfelt condolences goes out to Nathan, Alex, Becky, Rita, Larry Sr, Betty, Andrew, and Family.

“ Larry and I worked together at Cardinal Health and liked to walk laps around south campus venting. Please accept my sincere condolences for you and the family. Those of us that had the privilege of calling him "friend" outside of work, we were humbled by his kindness and compassion to everyone around him.

“ I met Larry over 30 years ago while we were both living in Indiana, PA. We became close friends while working together at Giant Eagle grocery store & eventually became roommates on two separate occasions during those days. I was also close friends with his beautiful wife Becky & shared numerous memorable & wonderful moments with the two of them. Over the years, we stayed in contact, sometimes sporadically, but never lost touch for too long. I am so thankful that I was recently able to reconnect & spend some time with Larry, Alex, Nathan & Larry's sister Becky last Labor Day weekend. Larry was a great guy who had a special ability to instantly connect with people & make you want to be his friend. I was lucky enough to count myself among those friends & will be forever grateful to have known him. My heartfelt condolences go out to Alex, Nathan & his entire family. RIP my friend.
