

## Larry Pfahler

January 27, 1943 - December 19, 2016

Dr. Larry L. Pfahler, 73, of Gahanna, OH, peacefully entered the presence of his Savior Jesus Christ, surrounded by loved ones on December 19, 2016, after a brief battle with cancer.

Larry was born in Bucyrus, OH, on January 27, 1943, to Lewis and Gladys (Auck) Pfahler. He grew up on his family's farm, excelling in everything he did. Larry loved sports and was the president of the first graduating class of Buckeye Central HS in 1961. The first member in his family to attend college, Larry graduated from Malone College and continued to medical school at The Ohio State University, paving the way for many family members to enter the medical profession. Following a decade on the mission field, Larry felt directed to integrate biblical truths into the field of psychiatry and completed his psychiatric residency at Pine Rest Christian Mental Health Service in Grand Rapids, MI.

Larry lovingly served as a Christian Psychiatrist for 32 years in Worthington, OH. Prior to this he devoted 11 years serving as a medical missionary in the Central African Republic. He was an avid sports fan and enjoyed playing softball, reading, and spending quality time with family. Larry devoted much time to Christian outreach with Grace Polaris Church and Vineyard Columbus, as well as with Lower Lights Christian Health Center and the Christian Medical and Dental Association. Larry loved Jesus and dedicated his life to being used by Him to impact those he counselled, supervised, and mentored. He grew to treasure the grace and presence of God, particularly in his later years. His

life's purposes were to be viewed as a man of truth and integrity and to see his children and grandchildren come to love Jesus as he did.

Larry is survived by his wife Deborah; his three daughters, whom he shared with former spouse Linda Durst: Heidi (Tracy) Stringer, Stephanie (Rand) Hudson, and Stacey (Beau) Stanley; seven grandchildren: Ethan, Gabriella, Sophia, Connor, Colton, Isaiah and Simon; sister, LaVon Luidhardt, and brother, Ray (Wanda) Pfahler.

Larry is preceded in death by his parents and brother-in-law, David Luidhardt. Visitation will be held Monday, December 26, from 1:00-3:00 p.m. and from 6:00-8:00 p.m. at Rutherford-Corbin Funeral Home, 515 High St., in Worthington. The funeral service will be Tuesday, December 27, at 10:30 a.m., at Grace Polaris Church, 8225 Worthington Galena Rd., Westerville. Private interment will be at Union Cemetery, Rts. 602 and 98, in Bucyrus. In lieu of flowers, please send memorial donations to Wycliffe Bible Translators (P.O. Box 628200, Orlando, FL 32862), a work near and dear to Larry's heart.

“ Joe and I learned only recently about the untimely passing of Larry. We knew him as a colleague at Malone. Larry and I dated my freshman year and Joe roomed with Larry in his senior year. I always knew that God would accomplish great things thru Larry. He was a model Christian, student and friend. I can just visualize Larry in the very presence of his Lord and Savior hearing the words, "Well done thou good and faithful servant."  
Let us all honor Larry's memory by living a life as he lived. I close with the words from a favorite hymn of my Dad, "When we all get to heaven, what a day of rejoicing that will be."

“ Dear family of Dr.Phahler, My son Derric and I were patients of his for some years. We were both unaware of his illness and were extremely saddened by his loss. He was a beautiful person with a kind and loving soul. We were both thankful that he made a big difference in our lives for the better in so many ways. Kindest regards, Janet Kroemer & Deric Dobbins

“ My heartfelt condolences. I was a patient for over 20 years and we shared many laughs and sorrows. I just found out today and I am shocked. I will never forget when he met his wife and how happy he was. And when baby Simon was born he was so proud. He was such a special person. He Never told me he was ill. I was so upset because I didn't get to say goodbye. He will be missed. Sleep with the angels Larry.

“ My condolences to the family of Larry Pfahler. May he rest in peace. I have been a patient of his for many years. After my visits, I always jotted down a few words of wisdom that he offered me, and was inspired by his love for Truth and for the Lord. Our hope is in the Resurrection....and that one day all God's children will be reunited with Him forever. Courage, strength and peace to your family during this time of grieving.

“ Dear Deborah, I'm so sorry to hear about Dr. P's passing. I was just there about three weeks before I got the letter saying he wouldn't be back! I had no idea he was ill. I'm just in shock as I'm sure you are too. Since I didn't know what was going on I wrote the two of you a card. I sent it to the office and am hoping they sent it to you. On December 9th I had my other knee replaced and had no idea he was ill. I would have been at the funeral had I known. Im really going to miss seeing you and Dr. P. Please take care and I know you know you'll see him again. GOD BLESS you and your family. Love, Debi von Eckartsberg.

“ I met Larry during our freshman year at Malone. After that time, until returning to Malone several years later, the earlier class was by then expecting to embark on the next phase of their lives. I learned that he intended to go to OSU for his medical training. He was indeed an individual who left an impression of his commitment as a Christian man. Our contact was lost over the years since and I wish that I had known he had lived so close. It is a double sorrow in that fact and in his passing. Blessings to all who remain who were touched by his life.

*I have been seeing Dr. Pfahler professionally for nearly 8 years. I sought him out because I had heard he was a Christian and with a thankful heart I saw the Lord work in his life every time we met. Many, many times he would insist on us having prayer before I would leave his office. He was indeed a man of God and he never missed an opportunity to express his faith. I will continue praying for the Pfahler family during this most difficult time. There is a sense of peace knowing that he is with His Savior.*
