“ *Rosie and family, So sorry to hear about Larry! Sorry that we'd lost track of one another for all these years, I wish I'd known, would have made a point to visit when I was in Ohio in November. I have lots of great memories of our younger, crazy days. Know that you are in my thoughts and prayers. You have my deepest sympathy. Larry is in a much better place. RIP my friend.*

“ Rosie & family, We were so sad to hear that Larry's cancer had come back and know that he is in a better place after his struggles. You have been a loving and caring friend and wife to Larry and he was blessed to have you. Thank you for the beautiful poem on Larry's prayer card. It was very touching, just like the end of Larry's Mom's funeral when Larry was not about to let the moment pass. He wanted everyone to know how he felt and what a wonderful Mother she was. He was so sweet and kind... you know what they say, you can tell alot about a man by the way he treats his Mother. Hopefully your loving memories will help you through the difficult days ahead. Please let us know if we can help in any way. The Ruhls

“ Rosie, You are and will always be in our thoughts and prayers. Larry was such a caring, helpful, and funny person. We were so fortunate to have in in our lives if only for a short time. You will be in our lives for a long time, and will do anything we can to help you. Rosie, he is in a better place, I know it is hard, remember I lost a son, it will be hard for awhile. We love you.
