“ *Laura was such a dear, and so much fun to be with. She was very down to earth and got along with everyone. I am one of Laura's sorority sisters. We were in the same pledge class together. Since both of our last names began with "A", she always came right after me when anything was done in ABC order. Laura was smart and funny. I enjoyed being in her company. I spent some time with her in the 80's, I guess it was, and took her for some meds and bought her some groceries. She was having mental health issues. I know for sure that she loved her son and talked of him often. Regretfully, I lost track of Laura. I was shocked and deeply saddened to see her name in the obituaries. I send my deep and heartfelt sympathy to you, Laura's son, Rick, her family and her friends. She will surely be missed. Her smile, her laughter and her sweet spirit will be remembered and live on in the hearts of many. Laura, rest in peace in our "silent chapter".*

“ I will always hold dear my memories of Laura. We met in our Lamaze childbirth classes in late 1982. Both of us were teachers in the Columbus School district. We had fun outings together with our boys. Rick and Patrick have remained friends through the years. God's loving arms are around you, Laura. Rest in peace, my friend. We will meet again in Heaven. My deepest sympathy goes to all of the family. Love and prayers, Dianne
