“ *Laurie & Norm were a big part of my childhood. I have many happy memories of spending time with them.*

*So glad I was able to visit with Aunt Laurie last October when I was back home. She still remembered many of the memories & stories of all of us when we were little. I will always remember her laugh & the twinkle in her eye when she would tell us a story of when mom would have pulled a fast one on her & Glenna. Many sweet memories of Aunt Laurie. May she RIP, highly unlikely with the reunion she is having with all her family. I can just imagine all of heaven is sharing in their laughter & story telling. May God comfort all.*

“ I am so sorry for your loss. I always liked her and Donny talked about her to me quite a bit. He always liked Norm also, She and I many years ago had the same dentist and would sit in his waiting room and talk until one of us went in to the "chair". I always remembered a smile on her face everytime she talked about her kids to me (a typical mother trait most of us share), Norma Jean & Russ, I know you loved your mother and are grieving today. It is a walk none of us ever want to take but we must. She is now in the arms of Jesus.
