“ Pat, Kelly, Erin and family, Our hearts are with you all. Over the years Mary told us many fun stories of she and Larry growing up. He and Pat were such good friends to her and helped us watch out for her. Ron remembers well the times he and Larry shared at Brookhaven. Larry was one of the few bright spots there. Hold on to the memories and your faith. They will see you through this difficult time. Remember that he is at peace and without pain now and that he loved you all dearly.

“ Pat, Erin and Family, Our prayers and thoughts are with you at this time. Larry was a fun man in Alison's life sometimes when she was little. She always mentioned the fun play time she had at Larry and Pat's. May God wrap his arms around you and comfort you now and may you feel his mercy and peace.
