“ Never knew you had gone home,my friend for many years.Irene and I worked at Whetstone convalescent center and we went out for dinner on Friday night after hard days work. Had many great memories of her but my last time we talk she ask me to check on a washer and dryer,compact size and she was planning to buy a car. So I had her on my mind and no answer. We say good bye here but we will be seeing each other on other side. Love Peggy Hawkins
