“ Words can not express the pain and sorrow I am feeling and they can not express the gratitude and thankfulness that I owe you for always being my mother, friend and calming influence through out my life. You were tough and nurturing at the same time, you were always there when I had a crisis that I was certain could not be solved, but you always found a way! You showed up at every sporting event rain or shine and never complained unless I played poorly and you let me know about it while giving me a kiss and telling it would be OK. You helped make me the man, father and friend I am today, I will miss you beyond measure. Thank you for being a great person and wonderful mother, I will miss you forever!

*Gary and Family,
I am so sorry, and my thoughts and prayers are with you. I am a friend of Gaylyn's and knew Lenore through the Ledbetter family. She always lighted up the room with her smile and enthusiasm - so outgoing and always friendly to everyone she met. My prayers for all her family and friends.*

“ *You took your memories with you for eternity. I knew you as a teenager and met you a couple of summers ago at the Hudson High Alumni picnic. You brought back many memories of my brother and his life as a teenager. Thanks for being a part of that ever so long ago.*

“ Lenore was a lovely girl with a beautiful smile. She was a dancing majorette at Hudson High School. I was a year younger and a class behind her. Although I lost touch over the years with her I remember her poise and charm.
