“ So many memories with Tom from being his personal trainer to becoming a great friend. Things like exercising while listening to gospel music, riding bicycles outside and going to see the Gaither Vocal Band. In spite of struggling with his health he had some great stories and always made me laugh. He was a pleasure to be around.

“ *So sorry to hear this news. May many good memories sustain you at this difficult time.*

I fondly remember playing cards, especially euchre, with Tom and Sharon and Jim. I now laugh at Tom and Jim's trick of sitting in front of the kitchen window in the Russells' kitchen so they could use the reflection!!

I remember when Tom was in a band with his friends from the view! Football games, basketball games, Old Man's Cave...good memories.
