“ *Hi, I delivered meals to Leona for probably 5 years and we became friends quickly. I delivered on Fridays and always looked forward to talking to Leona, my husband took a nap in the car as I visited with Leona. She loved my dahlias and tomatoes. She would give me little gifts. My aunt, which I take care of, had similar health problems and Leona would ask how my aunt would deal with this and that. I was looking forward to her getting well and to seeing her once more, so was saddened to read her obit in the Dispatch. I really miss her a lot. I wish I could have said goodbye. Sue Postle*

“ *Bill Sharon & Family, I was so sorry to read in the paper today that your mother had passed away. I know how hard this time is and please know that Susan and I will be praying for you and your family. Unfortunately, we leave for Colorado tomorrow morning for a business conference and will not be able to attend the funeral. Please know that we are thinking of you. Please let me know if you are going to be in Columbus in the near future and would have time to get together. We look forward to seeing you and again we are so sorry to hear about your Mom. In Hoc, Ken*
