“ *Gary, Marcia and family, I got to know your mother over the years at I took communion to her. She was a lovely person and so sweet, and kind. I would spend time with her after she received and we would talk about the kids and grandkids and how much she loved you all. She told me all about her place in Fl. and we had many long conversations about the church and the problems in the world. I was blessed to have met her and I will miss her. Lyn Charabee*
